Our club will consider a handicap student. _____ Yes _____No

Dear Rotary Club Presidents.

Enclosed is the Youth Exchange commitment form for the _____ term. Your signature on this commitment letter means that you are obligated to ensure the following terms of the exchange are met. You may fill in and save your changes for this form in Adobe Reader.

1. You will send your YEO or YEO committee representative to the Fall Orientation training to be held in _____. Clubs that do not send a representative for training will not be included in the _____ exchange year. We must be able to prove that we are providing appropriate training for all adults involved in this program in order for us to be able to obtain Visas for our incoming students from US Immigration. Attendance at Winter Orientation January of _____ will also be required for the same reason.

2. This is a two way exchange. In order to send a student, your club is obligated to host a student.

3. The above commitment to send and receive a student is used by the District Committee to make long term plans with other districts throughout the world. We use this number to arrange for student exchanges a year in advance. Once we commit to this number – we MUST be able to count on you to fulfill your commitment to these students. It is unfair to the student and to the other clubs participating in this program if you decide at the last minute not to participate. It is our continuing dependability that makes our Youth Exchange Program the success that it is.

4. The committee will strive to send your club students of your choice but cannot guarantee this.
