

Dear Rotary Club Presidents.

Enclosed is the Youth Exchange commitment form for the 2008-2009 term. Your signature on this commitment letter means that you are obligated to ensure the following terms of the exchange are met.

1. You will send your YEO to the Fall Orientation training to be held in Palmer Sept 14-16, 2007. Clubs that do not send a representative for training will not be included in the 2008-2009 exchange year. We must be able to prove that we are providing appropriate training for all adults involved in this program in order for us to be able to obtain Visas for our incoming students from US Immigration. Attendance at Schussout in January 24-27, 2008 will also be required for the same reason.
2. This is a two way exchange. In order to send a student, your club is obligated to host a student.
3. The above commitment to send and receive a student is used by the District Committee to make long term plans with other districts throughout the world. We use this number to arrange for student exchanges a year in advance. Once we commit to this number – we **MUST** be able to count on you to fulfill your commitment to these students. It is unfair to the student and to the other clubs participating in this program if you decide at the last minute not to participate. It is our continuing dependability that makes our Youth Exchange Program the success that it is.
4. The committee will strive to send the student your club selects, but we cannot guarantee this.
